We host a variety of events from  
bridal showers and birthdays to  
corporate dinners and multi-course  
wine-pairing dinners

*Townes can accommodate parties of all sizes*

Townes Restaurant & Bar is located in the heart of Downtown Santa Rosa, CA. We serve seasonal bistro fare, like roasted chicken, hearty steak frites, and farm-to-table favorites.

Our unique large capacity building and various dining rooms provide endless opportunities for an unforgettable event, day or night, any day of the week.

The upstairs MEZZANINE is flexible enough to accommodate any size and style of event from mellow to boisterous. Enjoy an open bar and bite-sized snacks for a cocktail-style reception that can accommodate 75 people or a large sit-down dinner for up to 48.

Our PRIVATE DINING ROOM is hidden away from the hum of the main bar space and is perfect for smaller events, seating up to 20.

For an intimate dinner, our LIBRARY ROOM can seat 8, and is available for a family-style pre-fixe menu or ordering off our regular à la carte menu.

Our HEATED PATIO can cater groups of up to 36 for a cocktail style reception or 3-course pre-fixe dinner and is an attractive outdoor option for the spring and summer.
